PREFACE

Education is the third eye of human being. A person who has knowledge can fight on all steps of life.

Sindh Bureau of Statistics is a single institution of Government of Sindh to collect data on all sectors and all know that Statistic plays a vital role in Economics and planning. The sound planning is a real source of development.

Bureau of Statistics has been collecting, compiling and disseminating various statistical information through its regular publications. The current booklet on “College Education Statistics” contains information on institutions, enrolment and teaching staff (by sex, district and category) for the year 2014-2015. It also includes summary tables for the year, 2004-2005 to 2014-2015.

Co-operation extended by the Regional Directorate of Colleges, Government of Sindh, and other concerned Government and Private institutions for supplying relevant information and enabling this Bureau to compile, tabulate and bring out this publication is acknowledged.

Data of education is very essential for all institutions and people who are connected with Education. Bureau of Statistics has been struggling to collect accurate data in order to be available for planners & policy makers for their future planning in the interest of public.

I would like to place on record my appreciation for the efforts of Mrs. Tatheer Zehra, Statistical officer (Education), and her team, in collecting, compiling, tabulating, checking and bringing out this publication

Hope this book will be fruitful source for all relevant institutions and people.
